About Super Mega Space Blaster Special Turbo:

A modern take on the retro arcade shoot 'em up (shmup) where the player must remotely pilot space blasters to save humanity from extinction. Super Mega Space Blaster Special Turbo is an addictive, fast-paced, easy to pick-up hard to master space blaster with bullet hell elements, loads of unlockables, and leaderboards to climb. The 'Turbo' edition of Super Mega Space Blaster Special is the definitive edition giving you more ships, more game modes, more unlockables, more challenges, and more space blasting fun than ever before.

About Bare Knuckle Development:

Bare Knuckle Development is a small indie (two person) game studio based in Greater Manchester in the United Kingdom. After releasing their first title, Super Mega Space Blaster Special, on Steam to a string of good reviews they are in the process of releasing the much bigger 'turbo' edition on consoles. Once released they will then return to developing The Flawless: Art's Tale, a metroidvania hack 'n' shoot action-RPG for Nintendo Switch™, PS4™, and Steam(Win/Lin/Mac).
