About Bare Knuckle Development:

Bare Knuckle Development is a small indie game studio based in Greater Manchester in the United Kingdom. After releasing their first title, Super Mega Space Blaster Special, on Steam to a string of good reviews they are in the process of releasing the much bigger 'Turbo Edition' on consoles, PC, and Mac. Once released they will then return to developing The Flawless: Art's Tale, a metroidvania hack 'n' shoot action-RPG for Nintendo Switch™, PS4™, and Steam(Win/Lin/Mac).
